RE: AWA Volunteer Appreciation Event - November 10th
AWA Fall Charity Auction - November 21st

Dear Greg:

On behalf of the American Women's Association, I would like to thank you for your assistance in providing professional entertainment for the above events. Your jazz trio which performed for us at the Alkaff Mansion on November 10th was extremely well received and added just the right touch to our elegant affair.

The entertainment which you provided for us on November 21st allowed our guests to further enjoy themselves while attending our largest charity fundraising event of the year. Please pass on our sincere thanks to both Simon Hunt, the jazz pianist, and to the Ruffly Ready Roadshow – a great dance band. I have enclosed a check for the balance of this event.

Again, we appreciate your patience and support in working with us to find the appropriate entertainment groups to perform for our events. The AWA looks forward to working with you again in the near future.

Sincerely,

Dawn E. Rubinstein
Treasurer
