Dear Sirs

I was just thinking that in this day and age, many people are quick to complain but slow to compliment so I thought I would drop you a line to say how much I enjoy the occasional evening in the Bar & Billiard Room.

Nicola and her staff are always warm and friendly and ready with their welcoming smiles.

Your selection of cigars and malt whiskies are a delight to me and in the background is the very appropriate mood music from your live jazz band.

In short, the Bar & Billard Room is something of a sanctuary, a haven away from the hustle and bustle of city life where I frequently come to relax and enjoy some of the very best that life has to offer - the best service, the best cognacs and whiskies, the best cigars and coffee, etc.

With best regards,

Yours sincerely

Bill Hutchison
