Dear Mr. Sailer,

One of Singapore's greatest treasures may be found at the Raffles Hotel. While certainly the history and evident beauty of the hotel stands out, the rare find of Greg Chako and his band in the Bar and Billiard Room must be counted amongst the hotel's, and indeed all of Singapore's greatest assets.

What a pleasure it has been to return to the ambience of the Bar and Billiard Room time and time again to hear Greg's wonderful music in the most perfect surroundings. Truly you must be immensely proud to have jazz musicians of world-class caliber such as Greg Chako and his band appearing at the Raffles Hotel.

I consider myself most fortunate to have found Greg and his band at the Bar and Billiard Room. My visits to the Bar and Billiard Room have become the highlight of every trip to Singapore and I look forward to enjoying Greg Chako's music at the Raffles Hotel for many years to come.

With sincere gratitude I remain,

Yours truly,
