Dear Mr. Puri,

I just wanted to take a minute from my busy schedule to express to you and your hotel a warm thank you for providing us with such a nice time at your hotel. My name is Dan Lopez, and I am currently working and living here in Singapore. My wife and myself frequently pay a visit to the Billiard Room Bar there at the Raffles Hotel. We love going there, because the staff is very nice and we love listening to the great music by the Chako Jazz Trio. Your hotel is so fortunate to have a group of musicians as good as these guys are. Every time friends or family visits us from the states, we make it a point to take them to the Billiard Room at Raffles to have some drinks and enjoy the great music. Again, thanks for providing us with such a nice place to go to in Singapore.

Thank You,

Dan Lopez
