CHAKO PRODUCTIONS

The Hong Kong Country Club first utilized the arts consulting services of Mr. Greg Chako's company, Chako Productions, in fall of 1992 when he organized the music for a series of tea dances for our members on Sunday afternoons. In January of 1993 he began arranging the weekly music schedule for our European restaurant, The Bauhinia Grill. This involves the hiring of both pianists and guitarists to play there in the evenings and often Mr. Chako performs there himself on classical guitar. Occasionally his company provides bands for special functions like this past year's New Year's Eve Party. Mr. Chako's own performances have been very well received by our members and we have continuously found the services provided to The Hong Kong Country Club by Mr. Chako and Chako Productions to be extremely reliable and of a very high professional standard.

Yours sincerely,

A.I. Macalister
General Manager
