Dear Madam,

On behalf of Jitterbugs Singapore, I would like to thank you for the wonderful music provided by Greg Chako and his band and also for the superior hospitality provided by the staff of your Bar and Billiard Room.

We are a non profit organisation, devoted to teaching and sharing Lindy Hop, a 1930s partner dance, best performed to Swing music. We are made up of professional Singaporeans, British, Europeans and Americans, collectively with much Swing experience around the world.

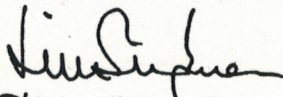

It was a great pleasure for us to "discover" the band playing at the Bar and Billiard Room. Firstly there are so few bands playing real swing music (in the world, let alone Singapore!) Greg and his band give the music a life of its own and infinitely enhance the image of the Room. Secondly, the atmosphere of the Bar and Billiard Room is so befitting to that genre of music and thirdly, the thoroughly professional and friendly staff and manager, Karan, were so welcoming, they made us feel totally at home.

Below are also signatures of a few of the appreciative members who come to the Raffles with us every week. In fact, we would like to invite you to pop down this Thursday (29 May) and join Jitterbugs Singapore as we enjoy the Swing era at Raffles.

Once more The Raffles has shown Singapore how to provide world class service and world class entertainment.

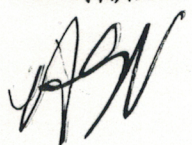

Thank you.

Yours sincerely,
