Subject: Musical entertainment at the Raffles Hotel.

Dear Ms. Chua,

this is only to let you know what a pleasant evening my friends and I had last month in the Billiard Room Bar.

After spending some time in the Longbow Bar we had to leave as the musik from upstairs did not allow us to have a normal conversation so we changed to the Billiard Room Bar.

Here we met Mr. Greg Chako and his Trio.

What a wonderful relaxing atmosphere this band was creating.
As a result of this swinging, harmonious, sophisticated and zivilized jazz music we stayed much longer than we intended to.

Please continue to provide this pleasant kind of music so that can not wait to come back.

Yours sincerely

Otto W. Ehlert
