Music at Bar & Billard

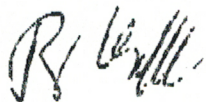

Dear Ms. Chua,

whenever I am in Singapore for business or pleasure I truly enjoy the atmosphere and the great music at Bar & Billard (however, to my taste the aircon is much to cold).

The music of Greg Chako and his band is really phantastic and I want to express my thanks and appreciation that you have managed to have these world-class musicians playing on a regular basis at your premises.

Looking forward to my next visit to Raffles very soon...

Thanks and regards

Dear Greg,

I hope this letter will help to strengthen your position at Raffles. Here in Germany I am enjoying the last days of summer - tonight I relax over some good Cognac and relating music like your tune "Sholliv" or some great Bruce Hornsby piano ... However, I am very happy

to see Singapore again soon - I'll be there from 28/09 till 06/10.

I hope you'll be playing at BBB then and I'm really looking forward to seeing you.

Best regards
