

THE RITZ-CARLTON  
HONG KONG

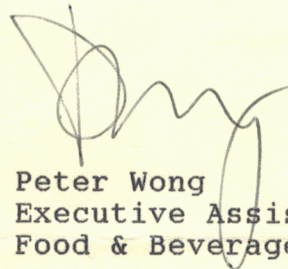

March 9, 1994

**TO WHOM IT MAY CONCERN**

Mr. Greg Chako performed in The Ritz-Carlton, Hong Kong in our gourmet italian restaurant, Toscana, from the grand opening of the Hotel to the end of September 1993. Mr. Chako is a talented musician. His sophisticated classical guitar playing was tremendously well received by our customers and provided a fine touch to the elegance of our dining room.

Mr. Chako was always responsible and reliable. He was punctual for his performances and was flexible to changes. I am glad to recommend him to any future employer as he surely is an asset.

Yours sincerely,

Peter Wong
