REFERENCE: MR. GREG CHAKO

This is to certify that I have utilised the services of Mr. Greg Chako and Chako Productions on many occasions both at The Jazz Club and for outside functions and Mr. Chako has fulfilled his professional responsibilities in exemplary fashion.

Of particular note was his solo and duet performances at the high-profile ART ASIA EXHIBITION staged at the Hong Kong Exhibition and Convention Centre in November 1993.

I understand that Mr Chako will be moving to Singapore where I am sure he will make a valuable contribution to the music scene.
