Dear Mr. Chako,

New to Singapore, and great jazz fans for years, we would like to take the opportunity to commend you and your efforts in organizing the various "Jazz Sessions", in particular the "Just Jazz" at Chijmes Plaza.

My wife and I are very pleased to have had the opportunity to listen to our favorite music here in Singapore. Viewing the island's size, we really didn't expect to. We especially enjoyed Darryl Ervin's Hetep Quntet and hope to have the occasion to see them again, as well as other local and international jazz musicians during our stay here – scheduled to be here for two more years.

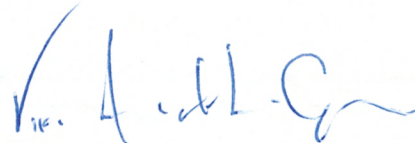

We encourage you to persevere in allowing us to view such exceptional talent. It's apparent, that there is an audience.

We look forward to the continuation of the "Just Jazz" sessions at Chijmes Plaza. It is also an opportunity for this melting pot of residents, both temporary and permanent, to be introduced to some of the most beautiful music in the world, right here in Singapore.

Sincerely,

Mr. Yves Gosselin

Mrs. Viki Nelums-Gosselin

P.S. Please feel free to add us to any mailing list you may have that informs us of the upcoming Jazz concerts.
